GLIMPSES OF THE SHOW

September 6th, 2019 saw the end of another efficacious closing of the exhibition focusing on Tiles & Sanitaryware, Glass, Window, Roofing, Construction Equipment and Building Material. The positive atmosphere of the exhibition reflected the Lucrative Sri Lanka market. Companies and investors took full advantage of opportunities to exchange ideas and information; numerous contracts were signed and cooperation agreements reached. With 150+ exhibitors, the event was completely booked out several weeks before the opening date. Companies from 15 countries presented their products, solutions and services to around 10, 000 visitors – an increase of 14% over the previous year. Expo was supported by Ready Mix Concrete association of Sri Lanka.
